

# PSYO 281: Directed Studies Application

## Eligibility:

To be eligible, you must meet the following requirements:

- Minimum of 9 credits (includes all courses)
- Completion of PSYO 111 or PSYO 121
- Permission of the department head and a faculty member prepared to supervise the investigation (as indicated by their signatures on the final page)

## Deadline:

Please submit the completed application to the department head **at least one week prior** to the [term start date](#).

## Course description:

- An entry-level research experience; students gain first-hand familiarity conducting psychological research; the scope of the work will vary, but will involve active participation with ongoing research.
- This course is graded as Pass/Fail.
- Note this course requires students to identify a faculty mentor willing to supervise their research experience prior to completing this form.

## Part A: Student Information

*To be completed by the student*

Date:

Student Number:

Student Name:

Student Email:

Credits:            1            2            3

BREB Approval  
Required?

BREB Submitted<sup>1</sup>:

<sup>1</sup>If BREB approval is currently not in place, please explain the alternative method(s) of how you plan to undertake this project:

Start date:

End date:

*Note: course grade must be submitted by April 30 for graduating students.*

## **Part B: Course Methodology**

*To be completed by the professor(s) in consultation with the student*

Course description:

Research expectations and learning outcomes:

**Part B: Course Methodology** (continued from page 2)  
*To be completed by the professor(s) in consultation with the student*

Evaluation deadlines:

*List each component as a percentage of the final grade. Please specify if an iterative writing process is used instead.*

Number of student-instructor contact hours per week:

Number of hours the student is expected to work independently per week:

*Note: these should total at least 8 hours per week, and not more than 12; more than 12 hours requires additional explanation.*

If applicable, define the roles of the supervisor and co-supervisor for this project:
